CONSCRIPTION LAW IS ASSURED

Irvin Clary, Former Citizens Bank Cashier Now Vice President of One of Nations Largest Banks

IRVIN N. CLARY
Vice President

Patterson Saving Intitution, Patterson, N. J., Assets over $40,000,000, is the 172nd largest bank in the U. S. Only one man, the president is above Irvin.

* * *

Cameron and Milam County have contributed liberally of its blood to the upbuiling of our state and nation. Its sons and daughters have gone far and wide to enrich the life of other communities and have written their names high on the roster of successful men and women.

To call the roll of those distiguishing themseves and representing us with honor in other cities and states would require a special edition of this paper. From time to time we have chronicled the conspicuous successes of our former boys and girls.

The current number of the Texas Bankers Record, official publication of the Texas Bankers Association, under the caption "Looking Backward Sixteen Years Ago," said:

"Irvin N. Clary, an enthusiastic cub employe of the Citizens National Bank, Cameron, was receiving much praise for his talk before the 40th Annual Convention, T. B. A. on "A Young Man and His Business." One of his remarks which drew prolonged applause was, "A little time and thought invested in your young friends will be rewarded with nontaxable dividends of satisfaction." Today, Irvin is vice president of the big Patterson Savings Institution, Patterson, N. J. Texas friends, especially his old "Boss," Oxsheer Smith, president, Citizens National Bank, Cameron, are "reaping nontaxable dividends of satisfaction in Irvin Clary's continued success.

Irvin, born and reared near Milano was left an orphan at an early age and received his education at the Odd Fellows Home in Corsicana. In 1920 his courteous manner and personality attracted the attention of Oxsheer Smith while on a visit to Milano and he "borrowed" him to use as errand boy during vacation time in the Citizens National Bank. That was one loan Oxsheer never repaid but he planted the young sandy land seedling in the field of banking, fertilized the eager mind with well directed study and watered it with words of encouragement.

Today Irvin's life is paying "nontaxable dividends of satisfaction" to the executive who perceived a superiority in a suborbinate, while at the same time it is a beacon light flashing to the youth of Milam County. "It can be done."

Irvin resigned the cashiership of the Citizen National Bank in 1928 to become assistant national bank examiner and was later tranferred to the New York District with promotion to national bank examiner. He was selected for vice president of the Patterson Savings Institution from among many considered and upon the indorsement and recommendation of the officers of the First National Bank of New York, Jesse H. Jones, chairman of the Reconstruction Corporation, Nathan Adams, President of the First National Bank in Dallas and his protegee Oxsheer Smith, a formidable array of indorsements certifying that he "Had been faithful in a few things" and should be "ruler of many."

For those who judge largely by material compensation the Herald is reliably informed that "the endorsements" are well in the five figures.

For those who admire the trout and the salmon, the game fish, that swim up stream, and climb waterfalls, it thrills within and to the finger tips to see a boy raise himself by his own boot-straps to the high places. Irvin's meteoric rise in the banking business could have happened nowhere else in the world but in the United States. His is the American way of advancement—by merit. There are those who would change this system.

New Dodge Car of Dr. Leland Denson Found Near Caldwell

Dr. Leland Denson late Saturday was notified by Sheriff Clint Lewis of Caldwell that a new Dodge sedan had been found on the road side 1 mile from the Burleson county capital.

The car, a new 1940 Dodge belonging to Dr. Denson, was stolen from the Yoe High School on Friday night while Dr. Denson was attending a meeting of the Milam County Health Unit conducting a food handler's school.

Dr. Denson neglected to remove the key from the ignition switch and when he returned to place he had parked his machine it had disappeared.

It was generally believed here that those who stole the car were drug addicts.

Two Box Voting for Cameron is Restored

Cameron will have two voting precincts, a system abandoned by the court two years ago and now restored.

The new box will be at Yoe High School. Two years ago the voting box at the old grammar school was abandoned.

The move has proven unwise and the Commissioners Court has created a new box. All voters residing north of 11th Street will vote at Yoe High School. All voters residing south of 11th Street will vote at the Court House.

Mr. and Mrs. Bill Newton of Wichita Falls were week end visitors here last week. Miss Rebecca Jo Lewis accompanied them home for a week visit.

SUICIDE VERDICT IN DEATH OF DRUGGIST

H. O. Quebe, 50, Rockdale druggist, was found dead in the garage at his home at 4 p. m. Monday.

Near the body of the dead man was a pistol and a mirror. Justice of Peace Harris rendered a verdict of suicide.

Quebe had suffered wretched health for four years.

Shortly before his body was found, Quebe called Dr. I. P. Sessions, requesting a hypodermic. When Dr. Sessions reached the home Quebe could not be located. A search revealed the body in the garage.

Quebe was a native of Brenham. He had been in business in Rockdale for 25 years. He is survived by his widow and several brothers and sisters at Brenham.

Funeral services were held at 4 p. m. Tuesday.

Stamp Deal May Be Expensive to County And City Government

On re-examination it appeared the stamp deal to handle relief clients and to substitute purchases from merchants for the dole under the relief system, may be more expensive than at first contemplated.

The revolving fund would entail no expense but it develops the county and cities must pay for salaries of employes and provide a building for the adminstration of the system.

The Commissioners Court has not yet considered the matter. Merchants attended a meeting in Belton Friday night.

Bob Newton of Maysfield is visiting Joe Newton for several days.

STAMP DEAL TALKED FOR MILAM COUNTY

A Commodity Stamp deal for Milam county was in prospect here Saturday following a meeting in Belton on Friday night attended by local merchants, County Judge Jeff T. Kemp and Commissioner Grady Stidham.

Government agents representing the Surplus Commodity Corporation were in Belton last night to explain the operation of the deal for the benefit or the movement in Bell County.

Stamps issued by the Federal Government are used by those on relief rolls to purchase foods and other supplies.

The county and cities of Milam County would be required to set up a revolving fund to finance the stamps, but actually no expense is incurred by the county or cities.

The stamp plan eliminates relief stations and gives the business to merchants. This plan would result in improved trade for stores in the county.

Under the stamp plan those receiving pensions are able to buy more than those not receiving pensions.

MORRISON HAS CLOSE RACE FOR NOMINATION

W. C. (Nig) Moody, defeated in 1936 in a run off primary with Penn Wolf, veteran District Clerk, won the nomination on Saturday by a majority of almost 2000 votes over Wolf and will be the next District Clerk for Milam county.

Moody led the ticket in the July primary and went into the run off with Wolf. The third man in the race was Grady Allen. The race was a run away for Moody.

W. A. (Bill) Morrison won the nomination for Criminal District Attorney over Nelson Green, young Cameron attorney. The majority was slight based on unofficial returns. What the official canvas will show will be known Saturday when the Executive Committee meets.

Mrs. Guy T. Newton, County Superintenedent, who led the field of five in the July primary defeated Chas. M. Hicks, member of the Yoe High faculty and will complete the unexpired term of her late husband, Guy T. Newton.

B. F. Bailey, Constable for Precinct 1, was defeated by 33 votes when J. E. (Pete) Harwell got a majority in the eigth boxes of the precinct. Harwell was defeated two years ago. Bailey has been constable here since J. E. Holtzclaw relinquished the office.

MRS. JOE ADAMEK, 92, DIES IN BUCKHOLTS

Mrs. Joe Anna Adamek, 92, native of Czecho-Slovakia, died at 2 a. m. Tuesday at the home of her daughter, Mrs. John Svetlik in Buckholts.

Funeral services will be held at the Svetlik residence in Buckholts at 10 a. m. Wednesday. The body will be taken to Wesley in Washington county where services will be held in the Lutheran Church. Interment will be made in the Wesley cemetery.

Mrs. Adamek was born in March 1828. At that time Czecho-Slovakia was a part of the Austro-Hungarian Empire. When a small child she came to America and settled with her parents in Washington county.

Surviving are four sisters and three brothers as follows: Mrs. John Svetlik, Mrs. Rosie Grote, Mrs. Frances Spiss, Mrs. Annie Ton; Frank, Steve and Joe Adamek. Her husband died 32 years ago.

MEMORIAL SERVICES HELD AT JONES PRAIRIE SEPTEMBER FIRST

Annual Memorial Services at the Little River Baptist Church of Jones Prairie will be held Sunday. Dinner will be served on the grounds and an interesting program has been planned.

Mrs. Julius Cabron of Burlington visited in Cameron Thursday.

Soil Conservation Directors to Elect New Supervisors

Supervision for the Central Texas Soil Conservation District will be elected on Saturday, August 31st.

The district embraces parts of Falls, Milam and Bell Counties.

Edwin F. Fischer of Buckholts has been named by the state board to serve as supervisor and A. W. Hensen of Bell County has also been named to serve on the board.

Candidates nominated are: K. W. Barth for Falls County; Joe Slavik, Sr., for Milam County; A. L. Thompson for Bell County.

Mr. Fischer said the election will be held on Saturday, August 31st and land owners are eligible to vote. No land south of Little River is included in the Milam county portion of the district.

Voting places are Buckholts Yarrellton, Ben Arnold, Briary, Jones Prairie, Maysfield and Cameron.

Only three of the four nominees are to be elected.

NIGHT CLUB CLOSED AT BUCKHOLTS TODAY

The Buckholts Night Club was padlocked shortly after midnight by Constable E. Horstmann and Deputy Murray McCrummen.

Jack Galford, operator and John Zajicek, owner, were placed in jail. At 2 p. m. no charges had been filed but Mead Miller of the Liquor Control Board was in Cameron investigating.

The Daily Herald learned that charges may be filed involving violation of the license law.

Galford claims he leased the night club and bought the stocks. Zajicek claims that Galford was hired to work and was operating the club. If the Galford statement is correct the license can be forfeited under the law.

Constable Horstmann told the Daily Herald he had placed both men in jail and reported disorder at the club on Saturday night.

District Attorney Morrison could not be reached. He left the city Saturday for a rest in Galveston.

Constable Horstmann told the Daily Herald shortly after 2 p. m. that charges of disturbing the peace had been filed against Zajicek in the court of Justice D. R. Criswell in Buckholts.

Who'll Get Millionth Chevrolet? Maybe a Cameron Resident

The big question and a mighty important one is who will get the Millionth Chevrolet?

Grabein Chevrolet Company has just received notice from the Chevrolet Motor Company that a trip to the New York World's Fair awaits the Chevrolet owner who owns the One Millionth Chevrolet or the nearest number thereto.

Chevrolet Motor Company is searching for Chevrolet No. One Million built since the valve-in-head six cylinder 1929.

Owners of old Chevrolet cars should investigate. Rules are obtained from Grabein Chevrolet Company. It may not be possible now to find Chevrolet One Million so the number nearest that car will win the new 1940 Chevrolet and a trip to New York World's Fair.

NEW ARRIVAL

Mr. and Mrs. Leo Hollas announce the arrival of a sevn pound boy named Lee Franklin, born on Tuesday night, August 20th, at the Cameron hospital. Mrs. Hollas was the former Miss Milady Slama. Mother and baby are doing well.

GO ON OUTING

Miss Inex Smith gave the following a picnic on the San Gabriel River Thursday evening: Misses Elizabeth and Mary Jewell Fanning, Wynelle Kidd and Velma Reese and Roger Owen, Curtic Lowe and Paul Massey.

Mr. and Mrs. Ernest Dakel have moved to Temple where Mr. Dakel is employed at Ziddell's shoe store. He was a former employe of Henry's Department store.

BUCKHOLTS NIGHT CLUB IS DESTROYED

Fire at 11 p. m. Tuesday destroyed the Buckholts Night Club.

E. Horstmann, Constable at Buckholts, told the Daily Herald that investigation was being conducted but origin of the fire had not been determined.

The night club figured in two arrests and a dispute in county court here Monday.

Jack Galford, operating the club, paid a fine of $25 and costs in county court Monday. He was charged with operating a beer license in another's name.

John Zajicek, owner of the club, said Galford had been hired to run it. Galford said he had leased the club from Zajicek.

Constable Horstmann filed charges against Zajicek for disturbing the peace in the court of Justice Criswell in Buckholts. Zajicek paid a fine of $15.

Constable Horstmann said the fire was discovered by Fred Lazek of Cameron. Mr. Lazek was returning to Cameron and saw the flames. He reported the fire to Murry McCrummin, night watchman at Buckholts. Mr. Horstmann who had padlocked the club on Sunday night when he placed the two men under arrest, turned the keys over to Joe Zajicek, brother of John Zajicek and took a receipt for them. The case had been settled and Mr. Horstmann said he had no further authority.

John Zajicek, according to Mr. Horstmann, left Buckholts Tuesday for Rosenberg. Galford and his wife, after taking their stock from the club left for Temple.

Insurance in the amount of $945 was carried on the night club with the Slavonic Mutual Fire Insurance Company of Texas.

Yoemen Will Gather At Gymnasium at 5 P. M. on Sunday

Coach Wood in a frank discussion of the Yoemen outlook for 1940 has given the Daily Herald a close up of the squad.

Within a few days these boys will be paraded in a preview of the 1940 prospects. "One thing that stands out with my boys this year," said the usually conservative coach, "is they are all high type boys and have plenty of fight. Every man will give the last full measure of fight for the team. I don't say we will win much but I do say when the game is over all will admit there was a fight for four quarters of the ball game."

All football players will report to the Gymnasium at 5 p. m. Sunday, September 1st. This will be the first gathering of the hopefuls for 1940. Equipment will be issued Monday at which time fall practice will begin.

Sewing Room Here Will be Abandoned

The sewing room in Cameron will be adbandoned and closed, it was learned Tuesday by the Daily Herald.

This is one of a number of government projects to furnish employment. Failure to obtain county wide co-operation on local financing of the project is responsible for the closing of the room.

The sewing room in Waco will also be closed. The government is gradually unloading all the new deal enterprises on the community and it will be impossible for local government to finance all the employment industries set up by the government.

Support for the Day Nursery school is not forthcoming as readily as during the past year. The nursery will continue to operate for another year under present financing. The community was asked to assume around $1,000 for this school last year.

BURIED TUESDAY

Funeral services were held Tuesday at the Hamilton Chapel church for Mrs. Calhoun Chaddock, 56, who died Monday. Rev. Morgan conducted the ceremony.

Burial was made in the Hamilton Chapel cemetery.

She is survived by her husband, son, Henry and daughter, Mrs. Robert Cotton, and five grand children.

AMERICAN MAN POWER REGISTERS IN OCTOBER

Conscription of American man power as well as industry was near a reality today as the Military Affairs Committee in the House of Representatives by a vote of 17 to 4 reported the bill favorably.

The United States Senate late Wednesday passed the conscription bill and sent it to the House. Its final passage was definitely assured.

Men between the ages of 21 and 30 will begin registering for military service by early October it was predicted in Washington.

America was well on the road to war.

The United Aircraft Corporation at Hartford, Conn., was given a $160,000,000 contract for the production of airplane motors and other equipment.

Equipment for the factory will cost two and a half million dollars. This equipment will become the property of the army and navy.

Hostilities were begun Wednesday between Hungary and Rumania. Bombing planes from Hungary dropped explosives on Rumanian territory as well as pamphlets.

Germany and Italy were in conference over the Balkan situation. Russia, contrary to expectations was expected to obey Hitler and Mussolini.

Russia was not invited to take part in the conference.

Fires were set in Berlin by British bombing planes. Seven people were killed in London and great damage done in the 20th raid of the war on the British capital.

FUNERAL SERVICES FOR JOSEPH DUSEK HELD

Joseph Dusek was born April 24, 1893, in Cermne, Bohemia.

Early in life he became a member of the Czech Moravian Church. In 1907, he came to America and had lived in Milam county ever since. On July 1, 1916 he was married to Annie Wilbern of Cameron. Six children were born to them: Joe, John, Alfred, Rosalee, Evelyn and Thomas.

Mr. Dusek was killed in an accident Saturday at about 8:30 p. m. August 24th. The family had started on a short ride, but Mr. Dusek decided not to go. He was seated in the rear seat with one of the girls and asked Mrs. Dusek to let him out, but did not wait for the car to come to a standstill.

He was buried in Oak Hill Cemetery Monday morning at 10:30. Pall bearers were members of the SPJST fraternity.

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of *functional dysmenorrhea* due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

Yoelets On Kiddie Cars Start Training Sept. 1st For 1940 Slaughter; Season Opens September 13

The Yoemen will start fall training on September 1, under a new rule adopted by the Texas High School Coaches Association.

Looking over the Yoelets in the spring the prospect seemed more dismal than the 1939 team looked when the little fellows got out in the sun for the first time under their own rudders.

To be pessimistic about Cameron's football chances is just a common everyday feeling. To merely feel pessimistic about the 1940 team is to be a real optimist.

Coach Wood needs a few nipples and a brace of kiddie cars to get the Gridiron War Babies under way for the schedule this fall. When one thinks of Belton and Taylor it is to turn away only to return and pick up the pieces—tenderly.

There have been miracles of coaching. There were giants in the old days too and a lot of things that added up to success but you can't fight a battle against modern weapons with a pea shooter.

So the Yoelets get under way September 1st.

It's the same old story. Members of the Athletic Council, Superintendent of School and all those responsible have been caught again without football material.

The hot stove league burgeons with talk but no tall ends, crashing backs or broad based linemen trot out on the field—only mom's Egbert with last year's bird nest in his hair and first rate adenoids.

The prospects this year should start a grand rush for season tickets. That's another story. The immediate objective is the game with Calvert here on September 13th. A scant two weeks away. And so it goes on forever. No football material, no vision, no co-operation. Fight 'em Yoemen, nobody else will.

Vegetable Laxative With Proved Feature

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients.

BLACK-DRAUGHT'S principal ingredient has high medical recognition as an "intestinal tonic-laxative"; helps impart tone to lazy bowel muscles.

A little of this spicy, aromatic product by simple directions at bedtime, generally allows time for a good night's rest; acts gently and thoroughly next morning.

Next time, take time-tested, economical BLACK-DRAUGHT.

HEWITT-HOBSON

Miss Ruth Hobson, daughter of Mr. and Mrs. Tracy Hobson of Cameron, became the bride of C. B. Hewitt, son of Mr. and Mrs. H. E. Hewitt of Groesbeck, Sunday at 9 a. m. at the home of Miss Hobson's parents. Rev. O. C. Acrey performed the ceremony in the presence of the immediate families and a number of friends. The bride wore as something old, a crescent pin set with pearls which her father had given her mother; something new, a string of pearls, she received from the bridegoom; something borrowed, a bracelet from Patricia Batte; and something blue, a soldier blue dress and hat with navy accessories. Her corsage was of pink rosebuds. Miss Patricia Batte, a class mate of Miss Hobson, was her only attendant. She was gowned in a plum colored dress with a gold rosebud corsage. Luke Harrison of College Station, a class mate of the bridegroom was best man. The prenuptial vows were taken before a beautifully improvised altar of fern trees that extended across the living room before a mantle with tall baskets standing at either end of the altar filled with gladiolas. Following the wedding ceremony the bride cut the large ring shaped cake topped with a wedding bell that was tied with dainty blue ribbons, resting on a silver mounted reflector. The dining table was covered with a lace cloth. Miss Wynelle Kidd prseided at the cake. Guests were Miss Edna Earl Pickett of Temple. Wesley Seay of Waxahachie, LaNell Kuehl, Mr. and Mrs. Morris Cross of Austin, H. E. Hewitt of Grosebeck, Mrs. Herbert Hewitt of Arlington, Luke Harison of Cisco, Miss Wynelle Kidd and Patricia Batte. After a wedding trip to the coast, they will make their home in Bryan.

Miss Hobson is a graduate of Yoe High School and a former student of Baylor University. Mr. Hewitt is a graduate of Groesbeck High School and has a B. A. degree from Texas A & M college. He holds a position with the United States department of Agriculture in Bryan.

THANKS

To the voters of Milam County for the splendid vote given me in the Run-off Primray. While I was defeated by 234 votes, the 1372 votes which I gained since the First Primary added to the 1592 votes which I received at that time are an expression of confidence which I deeply appreciate.

In reply to the many inquiries and solicitations from my friends I wish to state that it is my intention to announce for this office again at the proper time.

Sincerely yours,

Chas. M. Hicks

Whatley Grocery Is Newly Equipped With Market Facilities

Whatley's Grocery and Market installed on Wednesday a Fredrick Floating Air refrigerator, equipped with the coolite lighting system for the storage of fresh and cured meats.

The refrigerator also has separate compartments for storing fish and oysters, and dressed chickens.

The unit was purchased by Mr. Whatley from the Ed. Fredrick Sales Corporation in San Antonio. This equipment and many others make Whatley's one of the leading grocery stores in Central Texas.

Whatley's Grocery has contracted each Thurcday for a page in the Dailey Midget for week end specials. This week the opportunities are for thrifty housewives.

Santa Fe

dollars go rolling along

On Santa Fe system lines are hundreds of communities ranging in size and importance from the smallest village to the second ranking city of the nation. Whether small or large they share proportionately in the distribution and effect of the Santa Fe's annual payroll of $75,765,141.00.

This enormous payroll is distributed to 40,000 employees along the railroad's far-flung system. These employees are the constant and dependable patrons of all lines of business, industry and human endeavor. They spend their money where it is earned with the dry goods dealer, druggist, doctor, dentist and those other sundry professions. The active interest of these men and their families penetrates into all departments of community life, the schools, churches, civic activities, charity and those things which go to make up their home town. They play this part because of their employment and their ability to earn an adequate wage.

45.95 percent of Santa Fe earnings—money derived from handling freight and passenger traffic—during the past year went for the payment of salaries and wages over its system lines. This money not only gave life to local business, but had a far more reaching effect. It gave stimulus to national business conditions, and will continue to do so in the measure made possible by the patronage the railroad continues to receive from the public.

British Guiana Stamp Brings $32,500 in New York Recently

The famous British Guiana one cent black stamp, was sold August 7th for $32,500 in New York.

This is the last of the well known Hind collection, the owner of which died in 1933 and left the stamps to his wife. Mr. Hind valued the stamp at fifty thousand, and was offered at one time $43,000, but refused.

Since Mr. Hind's death, his wife has attempted to sell this rarity several times.

There were plans at one time here and in England to purchase this stamp by contributions and present it to Mr. Roosevelt and King George, but it was doubtful either one would accept a gift of this nature. However both are philatelists and possess five valuable collections.

Mr. Hinds collection brought over $1,200,000, although it was worth much more.

C. R. Middleton, former superintendent of Sharp schools, will teach in the Engleside school this Fall. Mrs. Middleton who shopped in Cameron Thursday stated that they would leave for Engleside Sunday, September 1st.

Mr. and Mrs. J. D. Mayes of New Orleans are visiting relatives and friends in Cameron and Port Sullivan.

French Family Now Making Their Home In America; Visit With Friends Here

Mr. and Mrs. S. L. Blackburn and daughter, Claude, of Angoubene France, 300 miles south of Paris, who are visiting his parents, Mr. and Mrs. T. A. Blackburn of Rockdale, were dinner guests in the home of a cousin, Mrs. Fred Dierr on Tuesday night.

Mr. and Mrs. Dierr and children heard with interest the exciting experiences they told of in war torn Europe. Mr. Blackbrun and his family arrived last week in Houston from Europe after having been driven from their home and having all their property taken from them by the Germans.

During the World War Mr. Blackburn served in the 49th regiment, heavy artillery in the United States army. When he returned to America in 1919 he brought with him a young French bride. Due to Mrs. Blackburn's desire to retrun they decided to make their home in France. Since that time Mr. Blackburn has served as salesman for the Oliver Farm Equipment Company over Central Europe, North Africa and the Near East.

They landed in New York at 4 a. m., August 10, on a Greek steamer.

The Blackburns will make their home in Dallas where Mr. Blackburn will continue to work for the Oliver Farm Equipment Company.

J. B. Gilbert Gets Try at Professional Football in New York

J. B. Gilbert, giant guard and tackle who learned his football under Pete Cawton of Texas Tech and who once was a star lineman at Yoe High School under Coach Carol Wood, will get his try at professional football in New York.

Gilbert is with the Long Island Indians and is now in training in New York. He hopes to make good as guard and to get a chance at completing his education in Cornwall.

From Yoe High School Gilbert went to Rice as one of the best high school prospects in Texas at that time. He flunked his course at Rice and joined the Red Rangers at Texas Tech and was a member of the team that played in the Cotton Bowl last year.

He is the son of W. A. Gilbert, was born and reared in the Marak community.

JAPAN MUST FACE A DAY OF RECKONING

The United States of America was a step nearer war Saturday as the Japanese Ambassador in Washington was notified by the state department that America will tolerate no more interference with trade nor stand for mistreatment of American nationals in the far east.

As summed up by Washington newspaper men the warning issued to Japan through Japanese Ambassador in Washington calls for an immediate reshaping of Japanese policies. Unless the viewpoint of the United States government is respected in the matter Japan will face a day of reckoning.

Taken in light of real meaning the United States will go to war with Japan if the Japanese do not stop agression against American interests.

Under Secretary of State, Summer Welles, delivered the warning to Japan, citing recent trade hindrance and outrages against American citizens and destruction of property.

The United States is believed to be shaping a far eastern policy in close understanding with England.

Early Saturday 400 German bombing planes were over the British Isles in a renewal of the fierce air war featuring the year old conflict. German planes were believed to be bombing the city of London proper.

The British reported 100 German planes shot down in the air battles early Saturday.

A British merchant ship was sunk in the Pacific Ocean between the coast of Australia and New Zealand.

Adolph Hitler said that bad weather has saved England because the German air force cannot operate efficiently.

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of *functional dysmenorrhea* due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

MORRISON MAY NOT KNOW OF HIS ELECTION HERE

W. A. (Bill)) Morrison, criminal district attorney, left Cameron late Saturday afternoon for a vacation trip and a few days rest in Galveston, it was learned by the Daily Herald. Unless friends have notified him, he may not know of his nomination for a second term in the office. He could not be found Monday while a case awaited his attention at the court house.

J. W. Garner of Rockdale was a business visitor here Monday.

Ray O'Neill and daughter, Patsie, visited in Burlington Sunday.

BRITISH AND TURKEY PLEDGE MILITARY AID

Greece has 24 hours in which to renounce her protective alliance with Great Britain and to drive British naval crafts from her harbors.

An ultimatum has been dispatched by Mussolini to the little country calling upon the Greeks to cease all alliances with the English.

If Greece does not meet the terms of the ultimatum Italy will begin an invasion of the country.

From Ankara the Turkish capital came news that the Turkish government had reaffirmed her alliance with Greece and had placed her army and navy at the disposal of the Greeks in case that country elected to resist Italian agression.

Whether Turkey has agreed with the understanding of Russia was not known. Great Britain informed the government of Athens that the British empire and the fleet in the Mediterranean and air force will be at the side of the Greeks in case that country fights to keep its independence. Only on the ground that Greece fights will the English enter the war.

Turkey and Great Britain are bound in a mutual assistance pact and Turkey agrees to go to war in case the conflict spreads to the eastern Mediterranean.

Thus the climax has been reached in a month old threat of Italian agression against Greece. If Greece has no faith in British or Turkish pledges she must surrender or fight with the prospect of standing alone against a powerful neighbor.

The situation should prove whether Russia is a real friend of Germany and Italy or merely playing for stakes and in reality in position to back up her alliance with Turkey.

In Washington the Fossil government of Roosevelt was seriously considering delaying action on conscription in order to delay the defense program one year. By so doing whatever advantage to accrue would be a direct aid to Hitler in his campaign against Britain.

Nazi influence in Congress is growing daily. The political parties are keeping an eye for an advantage with Hitler and the status quo may rule until after November.

Nine Dead in Army Plane Crash

Nine officers of the air corps of the United States army lost their lives early today when their bomber crashed in the bad lands of Colorado.

The plane was heavily loaded with bombs. The mission was under way to similate conditions for night flying. The bombs exploded when the plane crashed to earth.

Congress today started an investigation over possible sabotage.

Parts of the plane were missing and bits of wreckage were found for miles.

Some thought lightning or hail may have caused the wreck. Congress was looking for sabotage.

Not all bodies of the officers had been found.

CHRISTIAN SCIENCE SERVICES

"Christ Jesus" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 1.

The Golden Text is: "God sent not his Son into the world to condemn the world; but that the world through him might be saved' (John 3:17.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him" (Acts 10:38.)

The LessonSermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Our Master fully and finally demonstrated divine Science in his victory over death and the grave. Jesus' deed was for the enlightenment of men and for the salvation of the whole world from sin, sickness and death" (page 45.)

W. T. BROOKER DIES AT HOME IN MILANO

W. T. Brooker, 94, died at 10:30 p. m. Wednesday at his home in Milano.

Mr. Brooker had been ill for several months, following a stroke of paralysis. Although he was in declining health, his death came as a shock to his many friends throughout the county.

Mr. Brooker was a pioneer citizen of the Milano community where he had been a druggist for years. At one time he owned a saddle and harness shop in Cameron.

Funeral services were held at the Brooker home at 10 a. m. Friday. Interment was made in the Milano cemetery.

He is survived by his widow; two sons, Albert and Boliber, and two daughters who live in Fort Worth. Two children preceded him in death.

The approaching marriage of Miss Bertha Marak to Louis Faichtinger, both of Ad Hall, was announced Sunday afternoon at a reception given by Mrs. Annie Urban and Mrs. Adolph Hertenberger in the Urban home. Approximately forty guests were present to congratulate the bride on her coming marriage and to extend best of wishes for a happy life. They were invited to play games after which they were served ice tea, cookies and sandwiches by the hostesses. Miss Marak and Mr. Faichtinger will be married on Tuesday, September 3rd at St. Monica's Church at 8 a. m. Miss Marak is a graduate of Yoe High School and has lived in the Ad Hall community all her life. Mr. Faichtinger is also a resident of Ad Hall and employed by John Stasa in that community. They will make their home in Ad Hall following their marriage.

Three Milam county girls will enroll in the Blinn College NYA Resident Center September 9. They are Elaine Young of Cameron, Marie Raney of Buckholts, and Doris Modessett of Sharp. Mrs. Sina Brewer, who has been teaching in Cameron schools, will be Resident Supervisor of the project.

Miss Vivian Whites who has accepted a secretarial position in the offices of Dr. W. R. Newton Jr., began her work Monday. She was formerly employed in the AAA office here.

Miss Gene Akers accompanied her father, H. M. Akers, to Baton Rouge, La., where they will spend two weeks.

ITALY AND SPAIN CONFER ON CRISIS

Russian troops today had crossed the Bessarabian frontier and indications were had begun an invasion of Rumania.

Russian bombing planes flew aross the borders of Bessarabia and made an unsuccessful attempt to reach Bucharest, the capital of Rumania.

Italy and Spain were in hurried conference over the developments. It was also said the advice of Hitler would be sought by both countries.

Whether the development, following bloody border battles of Monday indicates Russian plans for a swallow up of the Balkans, must be determined by events of the next few hours.

Rumanian planes were said to have driven the Russian craft back to their bases.

Down in Equatorial Africa a French rebellion has broken out. The government of France at Vichy was said to be taking measures to suppress the revolt. Frenchmen in the Chad region were said to have risen in revolt against the Government of France for its surrender to Germany and will not follow a government dictated to by Hitler.

Germany was apparently attempting to make good on the Nazi boast that systematic destruction of Britain is to be undertaken. Hundreds of bombing planes were over air ports and munition factors in England today. The British appeared to be fighting back only feebly.

In Washington Nazi influence in the Congress led by the now No. 1 Fifth Columnists of the nation, Wheeler and Vandenberg, had succeeded in stopping for another day a vote on the conscription bill. An amendment to prevent conscription unless an emergency is declared, was defeated.
